This report is to be type written.

1. Write a comparison of the learning experience(s) for each position(s) that you have worked at since the summer prior to your freshman year at DVC. These comparisons should consist of the following:

   A. The skills that you have acquired.
   B. The different types of responsibilities that you were directly in charge of.
   C. The learning experience of working for more than one employer. i.e. Different management styles, people skills, etc.
   D. Include any other points of interest or additional learning experiences or skills that you have acquired.

2. Write a short summary as to why you feel the Employment Program has been of value to you personally.

3. Write a brief statement of your opinion of the Employment Program at DVC as a requirement for graduation.

4. Write a statement of how you feel the Employment Program could be improved.
