Recycling bins are located in academic and administrative buildings. In the bins labeled “Paper,” please place office paper, magazines/catalogs, junk mail and newspapers. In the bins labeled “Cans, Plastic, Glass,” please place aluminum cans, #1 & #2 plastic (soda bottles, milk jugs, some shampoo bottles, etc. Check the bottom of the bottle for a number) and any color glass.

White cardboard recycling boxes are located in Residence Hall common areas. In the bins labeled “Paper,” please place office paper, magazines/catalogs, junk mail and newspapers. In the bins labeled “Cans, Plastic, Glass,” please place aluminum cans, #1 & #2 plastic (soda bottles, milk jugs, some shampoo bottles, etc. Check the bottom of the bottle for a number) and any color glass.

Recycling cans are located in the residence hall trash enclosures. These cans are for commingled glass, plastic (#1 & #2) and aluminum. Please place these types of recyclable material from your dorm room into these cans.

Recycling centers are located near A-lot and Centennial lot. These recycling centers are to be utilized for small amounts of recyclables; please place large amounts of recyclables into the gray cans in the trash enclosures.

Delaware Valley College participates in the Abitibi Paper Retriever program. A paper recycling dumpster is located in the parking lot behind Lasker Hall. Please utilize this dumpster for your paper recycling needs. Items to be placed in this dumpster are limited to office paper, magazines/catalogs, junk mail and newspapers. Please do not place cardboard into this dumpster.
