CRIMINAL JUSTICE ADMINISTRATION

Faculty:

David C. Whelan, Chairperson

Donna S. Kochis

The curriculum in Criminal Justice Administration is an interdisciplinary career program offering socio-psychological, business management, and administration preparation for students planning to enter the field of criminal justice in the American legal system. The program offers professional preparation through the study of criminal justice, sociology, psychology, business management, liberal arts and the science of investigation.

The curriculum prepares the student through specialized courses with the necessary knowledge of the subject field and the professional skills and state-of-the-art techniques required for a successful career. The curriculum integrates theory and practice for the development of the individual along with sound philosophical insights for understanding society and the ideals of the American system of justice.

Additionally, the curriculum offers to practicing criminal justice personnel opportunities for continued professional growth to assist in the educational growth and development of the communities served by the College. The DVC program fosters the advancement of knowledge and professionalism in the American legal system.

The curriculum helps to prepare the individual for management careers in law enforcement, corrections, probation and parole, security, and other aspects of the judicial system. It also serves as a preparation for students considering graduate or law school.

The total number of credits required for graduation with a degree in Criminal Justice Administration is 120 plus 4 credits earned for successful completion of the Employment Program.
