In compliance with the "Timely Notice" provisions of the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998, the Department of Public Safety will from time to time, as necessary, post "Timely Warning Notifications" on the Public Safety pages of the college website. A link to those alerts deemed urgent by the Department of Public Safety or the Office of Marketing and Communications will be located on the Public Safety Department's home page. Older or less urgent notices will be linked on this page for a period of time to be determined by the Director of Public Safety or his designee.

For your own safety and the security of everyone in the college community, you are urged to familiarize yourself with the information contained in these notices. It is not unusual for information contained in these alerts pertaining to specific crimes or incidents to also apply to other situations, risks or potential offenses.

Awareness and alertness are your two best tools to avoid becoming a crime victim!
