

The university has implemented a process that requires all students to agree to and accept a Student Financial Responsibilities Agreement. This agreement is housed in **Self-Service**. An unsigned agreement will prevent registration for new courses or change any current registration.

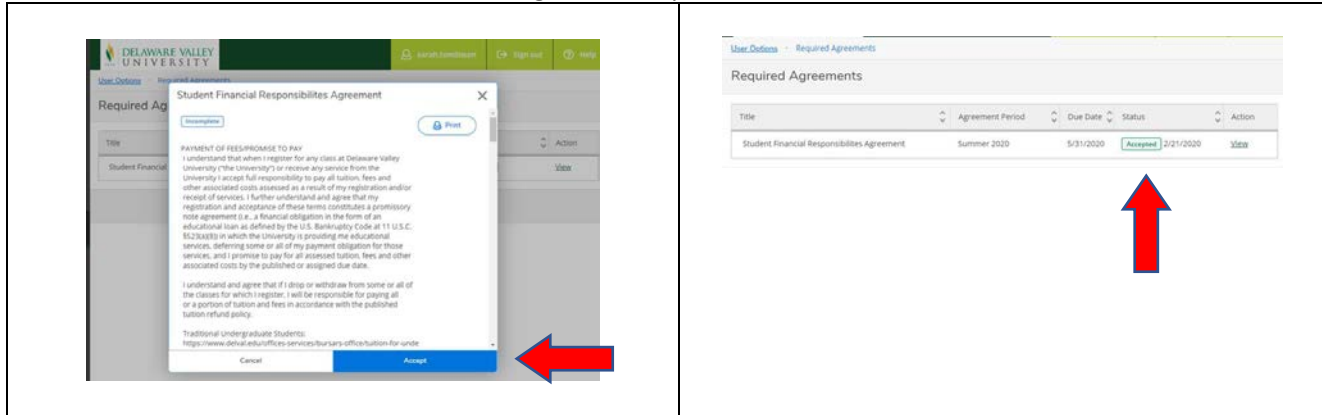

Upon entering **Plan & Schedule**, the following message will appear in Red on the top right of the screen.

The message directs to you where they can see and accept the agreement.

Under Action, choose **View** then the agreement opens.

The left screenshot shows a modal window titled "Student Financial Responsibilities Agreement" with a "Print" button and an "Accept" button. A red arrow points to the "Accept" button. The right screenshot shows a table titled "Required Agreements" with columns for Title, Agreement Period, Due Date, Status, and Action. The table contains one row: "Student Financial Responsibilities Agreement", "Summer 2020", "5/31/2020", "Accepted", and "View". A red arrow points to the "Accepted" status.

| Title | Agreement Period | Due Date | Status | Action |
|--|------------------|-----------|----------|--------|
| Student Financial Responsibilities Agreement | Summer 2020 | 5/31/2020 | Accepted | View |

Once you click Accept, the Acceptance is recorded and you are now eligible for registration.
