

Student Resources:

There are steps students can take to improve cumulative grade point average and/or earn credits to regain financial aid eligibility. Examples include: summer courses at Delaware Valley University, Experiential Learning (E360) credits, and transfer credits from another institution.

**** Remember to always seek qualified academic advice from one of the sources below or another academic source at the college.**

- ✓ Academic Advisor – check with the Office of the Registrar if you do not know who your advisor is
- ✓ Office of the Registrar
Lasker Hall, 2nd Floor
215.489.2973
Registrar@delval.edu

If students are not able to regain eligibility for federal/institutional financial aid programs, there are a number of private education loans available to students that do not require academic progress. Visit www.elmselect.com to review the lenders listed below that our students have used in the past. Of course there may be others, but you must ensure that academic progress is not required by the lender.

Sallie Mae Smart Option Loan
Citizens Bank
Wells Fargo Collegiate Loan
PNC Solution Loan
Union Federal Private Student Loan

A tuition payment plan is also available. Please visit www.delval.edu/bursar for information on the payment plan.
